Introduction

CountryLink operates train and coach services to country regions of New South Wales, as well as to Canberra, Brisbane and Melbourne.

Timetable and fare information

Reservations, timetable and fare information and departure and arrival times are available by phoning our CountryLink Reservations Sales Centre on 13 22 32 between 6.30am and 10.00pm from anywhere in Australia. Customers should check service details when making a booking. For inquiries in regard to CityRail services please call 131 500.

Easier booking

For many customers the travel experience begins at one of our CountryLink travel centres. As well as offering faster rail reservations throughout Australia, they provide a comprehensive travel service, arranging accommodation, travel insurance and connecting coach and air services.

Reservations are essential and can be made online at www.countrylink.info, by visiting a CountryLink travel centre, CountryLink accredited travel agent, selected rail stations or by phoning CountryLink Reservations Sales Centre on 13 22 32.

By using your credit card you can pay for your ticket over the phone. We accept MasterCard, Amex, Diners, JCB and Visa. Simply call CountryLink Reservations Sales Centre a minimum of three working days prior to travel, to allow time for processing and postage of your ticket.

All of these cards are accepted at CountryLink travel centres and selected railway stations. Payment by cheque may be made, but is subject to certain conditions. Staff at your CountryLink travel centre will explain the details to you.

You can phone and make a tentative booking, which we will hold to allow you time to pick up and pay for your ticket. If the ticket is not collected by the nominated time, your reservation is automatically cancelled. Be sure to give us a contact telephone number when you make your reservation.

Concession cards

Passengers must be in possession of an appropriate travel concession card when travelling. Passengers are required to produce travel concession cards upon request.

Luggage

Passenger luggage consists of three (3) items from the following combinations.

(Hand luggage)

In addition to one (1) item of hand luggage, not exceeding 5kg weight and the total measurement must not exceed 30cm high, 50cm long and 30cm wide, passengers may choose to either:

Check in (checked luggage)

Two (2) items not less than 5kg and not exceeding 20kg per item in weight, with the total measurement not exceeding 60cm high, 70cm long and 50cm wide, into the luggage compartment. Space is limited.

Candy stripe bags will only be accepted if they are of medium size, contain clothing or soft items and do not exceed 15kgs.

Carry on (unchecked luggage)

Two (2) items not exceeding 20kg per item in weight with the total measurement not exceeding 60cm high, 70cm long and 50cm wide, onto the train. Carry on luggage may be stored in the luggage racks provided or at the end of each carriage.

Baby strollers/prams/capsules, collapsible wheelchairs and golf clubs are classed as CARRY ON luggage and can be stored behind the seats at the end of each carriage. Space is limited.

On CountryLink coach services all luggage, irrespective of size, must be stored beneath the coach in the luggage compartment.

If booking luggage on a CountryLink service, you must do so at least 30 minutes prior to the departure time shown on your ticket, as space for booked luggage is limited. Luggage may be booked from most major stations.

Private travel insurance is recommended.

Bicycles, Surfboards, Snowboards and Snow Skis

A reservation for bicycles, surfboards, snowboards and snow skis with poles is compulsory and must be made when booking your passengers journey. Bicycles must be checked in one (1) hour prior to service departure. Space is limited and fees apply.

Bicycles must be boxed in an approved recognised bicycle container. Surfboards, snowboards and snow skis must be in a protective bag supplied by the customer and can not be more than 2.0m in length (including protective bag). Only one surfboard, snowboard or set of snow skis with poles per protective bag will be accepted. For more information contact CountryLink on 13 22 32

Medication

Medication of any type must be carried in your hand luggage.

Seats

Our seats are ergonomically designed with footrests, drop-down table and armrests which fold up to give you even more room (trains only).

Smoking

Smoking is not permitted on board any CountryLink service. All services are fitted with smoke detectors throughout. As stops at stations are short, please don't light up.

Meals and beverages on board

Food and beverages are available for purchase on all train services. A take-away buffet service supplies an assortment of refreshments, light snacks, hot and cold meals and magazines. The buffet is open throughout the journey and announcements will be made regarding meal times. For those 18 years and over, we supply a range of alcoholic beverages. CountryLink staff are trained in Responsible Service of Alcohol. You may only consume alcohol that has been purchased from the buffet on our trains.

Disabled access and travel

CountryLink train and coach services have been specifically designed to accommodate mobility devices subject to the following dimensions and manoeuvrability. CountryLink trains - The overall width of a wheelchair, collapsible wheelchair, motorised wheelchair or motorised scooter can not exceed 70cm and the overall length can not be greater that 130cm and must be able to manoeuvre a 180° turn in an area 154cm long by 207cm wide. CountryLink coaches - The overall width of a wheelchair, collapsible wheelchair, motorised wheelchair or motorised scooter can not exceed 80cm and the overall length can not be greater than 130cm. Mobility aids need to be able to accept and travel with anchoring devices fitted. The total weight of a mobility device and its user can not exceed 300kg on both train and coach services. One carriage on each train service provides special toilet facilities, access ramp and easy seating. Please ask for details when booking. Passengers requiring constant assistance on their journey, for example lifting in and out of the seat, use of toilet facilities or administration of medications, will need to travel with their attendant or carer. Further clarification can be obtained at time of booking or by calling 13 22 32.

Connections

CountryLink cannot guarantee connections where the time between its services is less than one (1) hour. CountryLink is unable to guarantee connections with services operated by other carriers including Great Southern Railways, VILine, Queensland Rail, domestic or international airlines, cruise/shipping companies and/or CityRail services with the exception of those marked as a connection in the CountryLink timetable. CountryLink does not take any responsibility for alterations to the timetables of other transport operators.

Sleeping Berths

Sleeping berths are available on the daily overnight XPT train services between Sydney and Melbourne. Sleepers are twinette style, with bed linen, towels and toiletries. Shared toilet and shower facilities are located between each compartment. Call buttons are provided in each sleeper and an attendant is on hand through the night to provide any assistance you may require. During the day, sleepers convert to three comfortable seats in each compartment, which are ideal for families.

If things go wrong

We are committed to providing you with the best possible travel service. However, if things do go wrong on your trip, please tell our on board attendants who will try to rectify the problem on the spot.

Alternatively, you can forward any comments or suggestions to: Manager Customer and Government Relations PO Box K349 HAYMARKET NSW 1238 Tel: 131 500
